(b) A National Tribal Policy has already been formulated which among other stipulated raising the standard of living of STs as one of its objectives. This Ministry is implementing several schemes preferentially targeted to tribals living below poverty line. Under the scheme, Special Central Assistance to Tribal Sub Plan (SCA to TSP), which is a special area programme and covers the tribal population living below the poverty line, funds are provided by this Ministry to the TSP states as an additive to the State Plan, to fill up critical gaps especially in family based income generating activities and the infrastructure incidental thereto. The objective of the scheme is to boost the demand-based income generating programme meant for raising the economic and social status of tribals. National Scheduled Tribes Finance Development Corporation (NSTFDC) provides concessional financial assistance to Scheduled Tribes having annual family income upto double the poverty line income limit for undertaking self employment ventures/activities.

Besides, the Ministry of Rural Development is also implementing poverty alleviation programmes such as Sampoorna Grameen Rozgar Yojana (SGRY) to provide wage employment and Sawarnjayanti Gram Swarozgar Yojana (SGSY) to provide self-employment to the rural poor. A Rural Housing Programme under the name Indira Awas Yojana (IAY) is also being implemented throughout the country to provide shelter to the rural people living Below the Poverty Line (BPL). All these programmes have special provisions for the tribal population.

Statement

Percentage of population below poverty line in rural and urban areas by social groups—All India for the year 1993-94 and 2004-05

(Figures in percentage)

Social groups	Areas	Years		
		1993-94	2004-05	% decrease
